## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-5 and 7-11 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art searched and cited failed to teach or fairly suggest a gas discharge lamp for a wavelength range of at least one of extreme ultraviolet radiation and soft X-ray radiation having: a discharge space; at least two electrodes for generating a radiation emitting plasma in the discharge space and an outer region; wherein a first electrode of said electrodes is near a side where the radiation is emitted, and a second of said electrodes opposite said first electrode has an opening such that charge carriers can be generated in said outer region and can be transported through said opening into the discharge space and wherein the opening narrows in a direction from the discharge space to the outer region as disclosed in claims 1, 3, and 7. All remaining claims are allowable because of their dependencies.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
